Title	Date of publication	Follow up(max 100 words)
Human Values and Professional Ethics Code of conduct (03/06/2019	The college prospectus includes a code of conduct guideline to be followed by the students. The teaching and non-teaching staff, being state government employees, are governed by the rules and regulations stated Hand Book Of Human Values Concept of Human Values: Human values are the virtues that guide us to consider human element when one interacts with other human beings. They are our feelings for the human essence of others. It is both what we expect

others to do to us and what we aim to give to other human beings. These human values give the effect of bonding, comforting and reassuring. There are five stem values and many sub-values or virtues that come from the main values. Together they make up the tapestry that forms an individual of character, containing all that makes a human noble, caring and kind. • Love • Peace -Using the tool of the mind • Truth -Using the power of intellect • Right Conduct -Using the tool of the body • Non-violence -Awakening the spirit within Human Values cannot be taught in a class room setting. To inculcate human values an individual must go out get engaged with the community. By practically working in the field, an individual gets sensitized towards the social issues problems learns his/her roles responsibilities towards society nation. One learns about the structure functioning of various social agencies realizes the importance of cooperation participation towards the social programs initiated by them. The idea is to transform an individual into a socially responsible being who is also an accountable citizen. Philosophy of Human Values at Mahila Arts Commerce College, Chandur-Rly. College has a strong inclination towards instilling inculcating human values among its students so that when they pass out they not only become

outstanding professionals but also stand out as individuals with strong ethics character. 7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

As part of Institutional Values and Social Responsibilities, the Institution has organized gender equity promotion programs. The college takes great interest in organizing women-oriented programs on various topics like achieving success, adjusting to changes, laws related to women, women's role in the family and society, and parenting. The college provides a safe environment to its students and staff. Apart from trained security personnel, the entire campus is under CCTV surveillance. Suggestion Boxes are kept on all the floors of the college wherein the students can put their suggestions or complaints. This box is opened at regular intervals and the Action Taken Report Register (ATR) is maintained by the concerned authorities. Anti-Ragging and Anti-Sexual Harassment Cells are constituted as per the guidelines of UGC and it involves representatives from various fields. Female staff members as well as the students are given full protection under the policies and procedures of this cell. The Girls Common Room provides a space for recreational activities. The college campus also has a state-of-the-art Sports Complex wherein the students

can utilize facilities related to various indoor and outdoor games. The waste from the college is managed through Solid waste management, Liquid waste management, and E-waste management. From the point of view of water conservation, the faculties and students are sensitized to saving water. Several activities like tree plantation, cleanliness drives, save fuel, etc. are taken up on regular basis by the NSS Unit of the college. The college has Nature Club that takes up numerous activities that create awareness amongst students about environmental conservation. the college has cared to maintain greenery as well in order to understand and assess the environmental condition on the campus. The best practices implemented from the beginning of the college. Felicitation of the faculty members for their distinctive achievements in the field of academics and research. Felicitation and cash prizes for the students for their outstanding achievements in curricular, co-curricular, and extra-curricular domains at various levels. The institute maintains credibility and transparency in all academic and administrative matters including finance. To create awareness among the students, staff, and community about the need for women's empowerment. To provide an opportunity to girl students to be actively involved in this mammoth task. To suggest plans for women empowerment among the students, staff, and community to uplift women to a level equal to men in society. Best Practice I MACCCR VERSUS COVID-19 Objective: To show vigilant participation against Covid-19 pandemic consequences among the students, parents, stakeholders, and society. Context: Mahila Arts Commerce College, Chandur Railway organized a number of activities to show its potential to fight against Covid-19 and aware pandemic arose after. The Institution proved its perseverance to overcome the battle against the Covid-19 pandemic by a number of activities throughout the post-pandemic period. Practice: From the beginning of March and before the announcement of Janta Curfew and Lockdown I. MACCCR was vigilant enough about the upcoming pandemic scenario in its nearby locality. In this series, we organized a number of activities and programs at regular intervals. These activities include online quiz competitions, different competitions, guest lectures, mask distribution and mask making drives, etc. Furthermore, IQAC organized an awareness program on Covid-19. Re-usable surgical masks were distributed among the college by the Teachers. For visitors of college like parents, students, and other stakeholders mask, thermometers, oximeters, sanitizers, and handwash were ready at the gate of entrance. All the staff (Teaching and non-teaching) members took an oath of spreading awareness during the examinations. In the college department of Home economics, sewing machines are available and it was a chance to use them for society so decided to use them. Principals, teachers, students have stitched hand-made reusable face masks with a cotton cloth. In market masks, were not Arranges a counter in front of our college gate and start to distribute to counsel passers to offer masks by MACCCRs NSS volunteers. Our students served as a volunteer during the lockdown, in their villages. Being a volunteer, they served in various sectors at many times, including distribution of hand wash, sanitizer, medicines, and other essential items. We all have embraced social distancing, diligently washing hands every now and then. Online Poem writing on COVID 19 and twenty students participate in it. Online poster painting competition on COVID 19 has been organized. And twenty-five students participated An online quiz competition was organized on the general knowledge of the COVID19 virus. More than 100 students participated in the open online quiz. The aim of the competition was to aware, and update people regarding COVID19 and break the myths surrounding the main information. The quiz met its all desired aim and was widely received by people. Awareness program for testing blood groups and counseling for blood donation was done organized in online session MCCR teaching and non-teaching staff and students distributed homemade masks to all the students, peons, watchman. The preventive measures were also been extended to them. Guidelines by the government were maintained with emphasis during the event. The program was done with a motive to aware the youth to take their

roles in society, especially against Covid-19. Evidence of success: Activities performed during this Covid-19 pandemic are made available on different media. Challenges: Most of the events encountered problems while connecting with the people. Since most of the events were organized online therefore long-time consequences appeared among the aspirants in form of problems related to vision, obesity, hypertension, migraine, spondylosis, etc. Adding to this, constant network connectivity is a universal challenge. Furthermore, on emotional grounds, people somehow lost touch with each other. This resulted in many relationships, divorce cases, break-ups of commercial institutions, and many remarkable dilutions.

Best practice 2 Title: Tribute to Great Indian leaders

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution was established with a vision to facilitate the emancipation of women from the area through higher education. Through the years, the College has adopted and implemented various measures to cater to the changing needs of young women in this respect. It has IQAC cell and all department Value Education seminars, gender sensitization workshops, and physical education classes and a psychological counseling cell on the one hand, and on the other, has an active Career Counselling Cell and offers and Advertising and Computer Applications to make its students better equipped to enter the professional arena in the future. Apart from stressing intellectual growth, physical fitness is also seen as crucial to womens development. The institution through yoga classes and karate classes ensure that this very important aspect of the growth

of young women is not overlooked. Traditionally, the college has placed equal stress on academic as well as extracurricular activities. Every year, cultural competitions are organized which include competitions in debating, elocution, poster making, dance, and singing in which enthusiastic and inclusive participation is encouraged. Besides, the college holds an annual cultural program on its prize-giving day, where a full-fledged cultural program is put up by the students to showcase their budding talents in the arts. Good performance in any sphere is acknowledged and encouraged through the elaborate and extensive system of prizes the college has. There are prizes not only for academic performance but also for performance in other fields to encourage students to strive for excellence in whatever they do. Womens education ultimately is not for women alone but aims at putting women at the frontier of social change. To that end, the institution has introduced various novel initiatives to increase social awareness among its students. The students are encouraged not only to think of individual development but also collective progress. NSS campaigns, cleaning initiatives in the nearby areas, initiatives for environmental awareness, and green and clean premises and locality are an important part of the holistic training the college imparts to its students.

Tireless striving for excellence in all spheres, self-respect, self-sufficiency, discipline, and social responsibility are the principal values the college wishes to inculcate in its students. It aspires to prepare strong, capable women who would be assets to society and the nation, and who would further transmit these values to future generations. Student Involvement in Innovation and Research research and the innovation-driven university encourages students towards research and innovation practices. Apart from Doctorate PG, students are also encouraged and given the opportunity to get involved in research efforts Dissertation is made research-driven and research papers have come out of this work as an outcome. Besides this special coaching on Independent studies is intended for Advanced Learners and for those students who have an interest in research and innovation. Independent Study and Research (ISR) course is a research-driven course open to PG students.
