(Annexure III)

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

Teaching learning and Evaluation quality circle is established in institution. Through this quality circle IQAC promotes the below mentioned activities to contribute, monitor and evaluate the Teaching & Learning process.

1. Academic Calendar and Administrative Calendar are prepared, circulated and displayed in the beginning of the academic session.
2. Class wise subject time table is prepared
3. Separate time table for computer practical is prepared.
4. Teachers act as guides for preparing project report.
5. Regular class tests are conducted.
6. Term end examination is conducted.
7. Special classes are conducted for weak students.
8. Assignments of each subject are given.
9. Group discussion and presentation of the students is taken by all subject teachers.
10. Internal marks are allotted on the basis of class test, group discussion & presentation and assignments.
11. Academic diary is maintained by the teachers.
12. Feed-back from students for the teachers is also collected in order to enhance the quality of education.
13. Industrial and field visits of the students are taken. Visits to important geographical places every year schedule from opening of college.
14. Student- Interaction Committee is formed every year to acquaint the students with various activities of the college, which are proposed to conduct for the students throughout the year. It makes convenient to students to participate in the activities in the area of interest such as Sports, N.S.S., Cultural activities etc. This Committee acts as a source of talent search in the youth of the college apart from the formal education.
15. Language board in English and Marathi and formed and various activities are conducted for the students to enhance their communication and writing skills.
16. Students are stimulated to participate in many activities which have social and civic approach viz staging street play and delivering speeches of social awareness. The local civic or social

organizations are rewarding such students of the college. These achievements are because of the dedication of the people who are totally engrossed with the work culture of the college. Students have regularly participated in curricular, curricular and cultural activities on national, state and university level, under the guidance of their respective teachers and the students were awarded by the competent authority.

17. College teachers are adopting effective techniques of teaching in their teaching methods viz. case studies, analysis, works experience, project analysing method, presentation method along with lecture method. Compulsory English and Marathi Students have viva- voce and project report as a part of curriculum so as they enrich the knowledge of different subjects in the commerce field. Home economics and Geography practical's were regularly conducted and university practical's exams held as per schedule of university.
18. E-resources of learning are made available to the students. In the college there is a separate furnished Computer Lab., as well as internet facility is made available to the students and teachers
19. Faculties follow the self-appraisal method to evaluate the performances through Performance based Appraisal System with the evaluation of Placement Committee and observations by the Principal.
20. Feedback mechanism has been devised in the institute and overall feedback is taken from the students regarding their opinion of the teacher. The department wise feedback analysis is also taken from the students. Further, teachers are asked to act upon and overcome the weaknesses stated in the feedback to improve the quality of teaching.
21. Students are informed evaluation processes in advance. College examination, assignment and seminar presentation are the effective methods to know the overall performances of the students in their studies applied by the institution.
22. Interaction with the students, teacher and parents is a novel activity initiated by the college with an intention to inform the students and parents about the extracurricular and co-curricular activities of the college as well as teachers also acquainted with the students' interest, hobbies and their achievements.
23. Industrial Visits and Educational Tours, and visit to the service sector organization are the regular features and part of teaching/learning. The students are asked to prepare the reports on visited organizations.
24. Career and Counselling Cell is functioning in the institution to prepare the students mind set for various competitive examinations.
25. Annual Teaching Plans are prepared by the teachers as a part of systematic and right direction to teaching.

26. Faculty maintains a record of teaching, meetings attended, participation in various activities etc. in an academic dairy.
27. **Total 2 students of our college were in merits list –2014-15 of S.G.B. Amravati University,**
28. **Amravati**– . The students of the college have participated in various activities at local, university level.

2.13 Initiatives undertaken towards faculty development

1870200

TOTAL**Criterion – V****5. Student Support and Progression:**

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

Student Support & Progression Quality circle is formed and through which all the students are made aware about support services. Prospectus is prepared every year to provide detailed information regarding college. The deserving students of the college are fully supported by the teachers as well as all academic facilities are provided to them. It is only the reason that maximum number of students stood in the merit list of SGBAU Amravati Examination. Contribution of IQAC in enhancing awareness about student services can be elaborated as follows:

1. Prospectus committee is created. This committee inculcates all the information related to the college in the prospectus and gets it published. This supports the students to know the details about the college.
2. Admission committee is formed. This committee looks after providing admission to the students in the transparent way.
3. Industrial linkage and placement cell is formed which supports the students for placement.
4. Career Guidance cell is activated for the support of the students.
5. Cultural committee is formed to motivate students to participate in various cultural activities conducted at local, university, state and national level.
6. Sports department is activated to motivate students to participate in various sports events.
7. Financial support is provided to student through Government of India scholarship and other scholarship.
8. Examination committee and internal co-ordination marks committee is formed for tracking the progression of the students.
9. Remedial coaching in the subjects like sociology, Economics, home economics Political science, Geography and English are taken.
10. Three cells namely „Coaching for entry in services for MPSC & Banking examinations“,
 “ Equal Opportunity Cell” is activated. These cells provide coaching to students for competitive examinations.

5.2 Efforts made by the institution for tracking the progression:-

1. Regular class tests are conducted.
2. Term-end examination at college level is taken every year.
3. Group discussion and presentation of the student is taken by each subject teacher.
4. Students are encourage to participate in NSS and cultural activities and sports
